Meet our PRIMA and ECCELLENZA leaders at the Faculty of Humanities and Social Sciences

7th and 26th October 2021

16:00 – 19:30

online (zoom)

Organized by the Graduate School of Humanities
and Social Sciences.

The Faculty of Humanities and Social Sciences has currently six PRIMA and ECCELLENZA project leaders. These represent prestigious grants and projects on fascinating topics. The meeting with the leaders is an event (articulated in two evenings) which aims at presenting their projects to all members of the Faculty (part I of the program) as well as to encourage doctoral students and post-docs to engage in a dialogue with the team leaders taken as role models, in order to exchange ideas about what a successful career is nowadays, around different issues such as mobility, specialization, publications, funding instruments, etc. (part II). This double objective grounds the organization of a program in two parts:
